August 8, 2017

Greeneview Middle School Families,

On behalf of Greeneview Middle School staff, welcome to the 2017-2018 school year. Although we are still several days away, I am very excited about the beginning of this year! When the Board of Education appointed me as your Middle School Principal I quickly realized that my hopes and dreams for our students were the same as your hopes and dreams: we all want to see each Greeneview youngster experience success. This is not a trivial endeavor- it is an awesome responsibility. It is a responsibility that can only be accomplished when everyone works together.

We must instill values in our young people and help them develop personal responsibility. These are the same virtues that you and I earned a long time ago- sometimes referred to as old fashioned values. If we do not cultivate them, they will disappear.

Our vision is to provide the tools that each child needs to become the best he or she can be. Academically gifted students must be challenged and deterred from settling for mediocrity. They are our best and our brightest, and we must prepare them to be tomorrow's leaders.

Youngsters, who come to school every day, do a good job, and stay out of trouble must never be taken for granted. We must show them that we appreciate them, reward their hard work, and make their time in school worthwhile. This will encourage them to be proud, productive citizens.

Students who struggle to overcome learning and physical disabilities must have access to the best methods to grow and develop to their maximum potential.

And finally, those students who have the ability, but are simply not succeeding in the traditional classroom, must have opportunities that address their special circumstances. We must create other options and teach them how they learn best.

Any day that we permit a single child to slip through the cracks is a shameful day. Our promise to everyone is that Greeneview Middle School will work diligently to meet the needs of all children- gifted, average, handicapped, and at-risk.

Please remember that Open House for all students in grades 5-8 is Monday, August 14, from 6:30 p.m. to 8:00 p.m. The first day of school is Wednesday, August 16, beginning at 7:30 a.m. sharp!

Again, thank you for supporting Greeneview Middle School and our programs. Let's have an outstanding year!

Sincerely yours,

Denny Morrison
