**Please Note:** The Ohio Revised Code has changed requirements from days to hours of instruction. The total number of instructional hours is based on 180 student days. Days off due to conferences and professional development are counted as days in attendance even though the students are not required to attend. Therefore, students will be in attendance for 177 days. Calamity Days may be made up on January 20, February 17, May 11, or at the end of school if it is deemed necessary in consideration of instructional hours.
