

**Greeneview High School**  
**Dance Contract**

In order to promote a healthy, safe and enjoyable evening for all students, the following procedures are in place for dances. All parents and students must read, understand and sign this agreement prior to ticket purchase. Should a student violate any of these guidelines, he/she will be instructed to leave the dance. This contract serves as the first warning. Upon arrival to the dance, each student will receive a bracelet to wear during the duration of the dance. If a chaperone determines that a student is in violation of any dance rule, the bracelet will be removed. This is the second warning. Any further violations will result in removal from the dance. Should a student be removed from the dance, there will be no refunds. In addition, students who are asked to leave the dance may receive school disciplinary action at the discretion of school administrators. Parents will be notified if a student is removed from a dance.

Incomplete forms, or forms suspected of being forged, will not be accepted. Students who turn in incomplete or forged forms will not be allowed to attend the dance. If the forgery isn't realized until after tickets are purchased but before the dance, the student will not be allowed to attend the dance and no refunds will be given.
