

2021-22 High School Breakfast

Greeneview Local Schools Food Service is pleased to be able to offer breakfast at no cost to ALL students through the 2021-22 school year. Research has consistently shown that students who eat a balanced breakfast are more likely to do well in school and less likely to be affected by minor illnesses.

Greeneview operates breakfast using Offer vs. Serve. Students are required to select an entrée and at least one fruit and then are given the option to take a 2nd fruit, a milk, or both.

Fruit: Students must select one and may select two different fruit options. The options may include fresh, canned, or dried fruits and 100% fruit juices.

Milk: 8oz. of milk are offered every day. We offer a variety of non-fat milks and 1% unflavored.

Entrée: Students are offered a variety of entrees to choose from every day. Entrees can be 1 or 2 items that include a whole grain item and/or protein item. Daily options may include, but are not limited to:

Pancakes with Syrup
Waffle with Syrup
Breakfast Pizza
Pancake-on-a-stick
Breakfast Burrito
Breakfast Bar
Breakfast Bread/Muffin
Cereal Bowl
Bagel
Fruit Frudel Pastry
Mini Cinnis
