Spread out Spring Break Days into 2 long weekends

**Please Note:** The Ohio Revised Code has changed requirements from days to hours of instruction. The total number of instructional hours is based on 181 student days. Days off due to conferences and professional development are counted as days in attendance even though the students are not required to attend. Therefore, students will be in attendance for 177 days.

Calamity Days will only be made up by students if we drop below the state minimums for required hours of instruction.
